Level certificates delivered

 **3,608,170**  
Lexia Skill Builders<sup>®</sup> delivered

 **513,492 NEW!**  
Interactive digital Lessons and Skill Builders downloaded

### Voices of Lexia Educators

“ I love that there is a teacher lesson that matches up with what students are struggling with on the online platform. I think that this is one of the things that sets Lexia apart from other online learning programs. Lexia includes the educator as part of the learning process. ”

## WHAT EDUCATORS ARE SAYING<sup>1</sup>

 **90%** said myLexia was easy to use  
(N = 2,413)

 **88%** said myLexia helps them more efficiently evaluate their students' needs  
(N = 2,387)

 **95%** of new educators said Lexia programs had met or exceeded their expectations  
(N = 2,004)

 **79%** said their student outcomes are improving due to Lexia programs  
(N = 4,650)

### Voices of Lexia Educators

“ I have seen the reading/comprehension growth both in my students and in my own child from using the program. Lexia provides sustainable and quality supplemental opportunities for students who are closing the achievement gap, students on level working to reinforce learning, and students who are working above grade level. ”

1. From a survey of 7,559 educators and administrators deployed five times across the 2020–2021 school year by Lexia Research.  
2. Results for educators who logged into the myLexia platform between July 27, 2020 and May 30, 2021. Data compiled and analyzed by Lexia Research.
