

# A Checklist for Creating a Culturally Responsive Classroom

**Use this checklist to promote a culturally responsive learning environment to ensure all students receive the equitable instruction they deserve.**

- |  |   |
|--|---|
| <input type="checkbox"/> Do we celebrate the assets students bring to the classroom rather than highlighting their deficits? | <input type="checkbox"/> Do we make content and instruction relatable to real-world issues that impact students' lives? |
| <input type="checkbox"/> Do we draw upon students' cultures to shape curriculum and instruction?                             | <input type="checkbox"/> Do we recognize and redress biases in the classroom?   |
| <input type="checkbox"/> Do we promote instructional materials that reflect images and perspectives from diverse groups?     | <input type="checkbox"/> Do we collaborate with families and the community to strengthen the school-to-home connection? |
| <input type="checkbox"/> Do we communicate in linguistically and culturally responsive ways?                                 | <input type="checkbox"/> Do we model high expectations for all students?  |

**All students deserve the same opportunity to become successful readers and confident learners. Let us show you how Lexia's adaptive, personalized literacy and language programs can help.**
