

Partner with Lexia to *Get Back on Track*

IDENTIFY AND MONITOR LEARNING GAPS

Pinpoint learning gaps due to disrupted learning and progress monitor with detailed data reports without taking time out of instruction for testing events (Assessment Without Testing®).

EFFICACY

Unparalleled efficacy research with more than 20 externally-reviewed research studies that include various types of districts and subgroups, resulting in Strong ratings for ESSA.

ACCELERATE LEARNING

Purposeful use of technology leverages an adaptive blended learning model with explicit, scaffolded instruction when needed, and maintains the teacher as an indispensable factor.

FLEXIBILITY

Seamless transitions between learning scenarios that the district is experiencing during the year and supports various models such as acceleration or summer academies.

EMPOWER EDUCATORS

Meaningful learning opportunities for teachers, particularly around structured literacy and the science of reading, along with multi-touchpoint implementation throughout partnership.

STUDENT & FAMILY CONNECTIONS

Continues interaction and dialogue with students and parents around learning goals, strategies, and success.
